RE: Interlocal Agreement between City of Odessa and ECISD Dated February 21, 2012 ("the Agreement")
(C-3-1066)

LETTER OF UNDERSTANDING MODIFYING AGREEMENT

Dear Hector:

Enclosed please find a copy of the City of Odessa and ECISD Interlocal Agreement for disposal of excess raw sewage into the City's collection system.

Pursuant to the provisions of Section 1.4 of the Agreement, the maximum disposal amount by ECISD is 10,000 gallons per week. However, due to the dire need and emergency situation currently at hand and in an effort to help alleviate this public necessity, the City of Odessa proposes to remove the 10,000 gallon per week cap.

Said amendment to Section 1.4 of the Agreement is subject to ratification by the City Council and ECISD Board of Trustees, and shall read as follows:

1.4 No maximum disposal amount shall be imposed.

Nothing herein amends any other section of the Agreement and all other provisions of the Agreement remain in full force and effect.

After you have had a chance to review this amendment, if it meets with your approval, please sign and return this letter agreement in the self-addressed, stamped envelope provided. If you have any questions regarding this matter, please do not hesitate to contact either me or Larry Long, City Attorney.

Sincerely,

Michael Marrero
Assistant City Manager
