RE: Proposed Calendar for the 2022-2023 School Year
DATE: December 13, 2021

Attached you will find a proposed calendar for the 2022-2023 school year. The calendar committee met and considered a variety of variables and reviewed calendar drafts from neighboring districts. The proposed calendar provides for a relatively balanced academic year, aligns closely with proposed calendars from our closest neighbors, and complies with statutory requirements. Approval is recommended.
