

## Annotation to Agenda May 9, 2005 Board Meeting

---

The board will have its usual "Meet & Greet" with the Irrigon Elementary School staff. That will begin at 6:30 pm.

Also...this is the first time for Board Book....paperless board meetings. We will have the projection equipment available at the meeting...and hopefully you were successful in downloading your board packet from the website. Since this is officially our transition month, we also sent out paper copies.

- 3.0 Consent Agenda** – This is routine; however, please note Re-hiring of Classified and Confidential Staff for 2005-06. This is an annual procedure at the May meeting.

**4.0 Reports & Presentations:**

- A.1 Superintendent Reports:** In addition to the 2004-05 Board Goals Progress Reports, Mr. Burrows will update you on several other topics.

**5.0 Unfinished Business**

2<sup>nd</sup> Reading and Adoption of Policy IKF – Graduation Requirements – Morrow Education Center. This policy must be adopted or the students at the Alt Ed school will not be able to graduate. Incidentally, that graduation ceremony is scheduled for June 3, 2005 at Irrigon High School.

**6.0 New Business**

- A. Board Representation for Graduation Ceremonies:** As in prior years, we will need a member of the board to hand out diplomas at each of the graduation ceremonies in the district.
