

East Grand Forks Public Schools
Teacher Seniority List
2025-26

If after reviewing the tentative seniority list, a teacher believes that the tentative seniority list is in error as to him or her in any particular way, he or she shall submit detailed objections, in writing, to the school district office no later than February 6, 2026, at 4:00 pm.

Failure by any teacher to object within said time period, shall be deemed a waiver of any objections. The final seniority list will be a factor in any staff reductions that may be necessary and shall continue in effect until modified in subsequent school years.

Probationary teachers (printed in RED) are not considered to be eligible for a school seniority list. Probationary teachers are included on this list to only establish date of employment and position on the Seniority List pending the granting of tenure.

Effective July 1, 1999, the first day indicated is the first day of uninterrupted teaching with the East Grand Forks Public Schools as per Minnesota Statutes.
