Re: December, 2015 Report

- 1. Title I and State Compensatory Education** – We have 316 students who qualified for this program. This number drives our funding for Title 1 and SCE.
- 2. Rem4ED Webinar** – The Admin team met with Elizabeth from Rem4ED via webinar to work on getting the mobile app ready for training. Two administrators were unable to get the app to load and the tech team is working with them to fix the situation prior to getting all staff trained.
- 3. EOC retesting** – We had several students to retake their EOC tests. Testing went well.
- 4. TTESS** – the admin team met with Brenda Foster from the ESC for a TTESS check-up. This system is still new to our principals and they are working at becoming proficient.
