

Beaverton School District

Meeting Rules of Engagement

1. We will encourage each member to participate fully through thoughtful discussion and effective decision-making, and effectively communicate with each other by focusing on problem-solving and a willingness to consider all points of view.
2. We will remain open to influence and will not be judgemental.
3. We will reserve room for different points of view and consider others' opinions carefully.
4. We will listen intently to understand better.
5. We will share "airtime" with others.
6. We will assume no one right answer but many perspectives, and be respectful.
7. We will assume we all want the best of ALL students in Beaverton Schools.
8. We will seek consensus, but honor minority opinions.
