**Gov. Pritzker Signs FY 2021 Budget**

Today, Illinois Gov. JB Pritzker signed the FY 2021 budget approved by the General Assembly during a four-day special session in May.

I wrote in detail in [Capitol Watch](#) how the budget relies on borrowing money from the federal government to keep spending level for schools and won't recap that here.

What I wanted to share is a four-page document produced by the state highlighting budget appropriations in the areas of education, social services, criminal justice and public safety, capital investments, transportation, Medicaid, the November election and COVID-19 relief.

The document includes bullet points on specific education appropriations that may be of interest to you.

Stay safe and have a great summer!

Sincerely,

Diane Hendren
Director of Governmental Relations
Illinois Association of School Administrators
