Parent & Child Aquatics (6 months to 3 years) **Fee: \$68**

Parent and child learn together to increase a child's comfort level in the water and build a foundation of basic skills, such as arm and leg movements and breath control. The two levels are fun-filled and introduce water safety.

- ♦ Change body position in the water
- ♦ Learn how to play safely
- ♦ Experience wearing a life jacket
- ♦ Expectation for adult supervision
- ♦ Enter and exit the water safely
- ♦ Submerge in a rhythmic pattern

Preschool Aquatics (4-5 years old) **Fee: \$68**

Children are taught basic aquatic safety, survival and swimming skills, while increasing their comfort level in and around the water. Skills are age-appropriate, helping children achieve success on a regular basis and enjoy social interactions with other children. As in all Swimming and Water Safety courses, your child will always know that it's safety first.

Learn to Swim Levels 1-5 (Age 6+) **Fee: \$75**

Level 1: Intro to Water Skills

Orient participants to the aquatic environment and help gain basic aquatic skills. Begin to develop positive attitudes and safe practices.

Level 2: Fundamental Aquatic Skills

Build basic aquatic skills, water safety and concepts learned in level 1.

Level 3: Stroke Development

Build on the skills learned in Levels 1 and 2 to help achieve basic water competency in a pool environment. Head first entry, survival floating and treading water will be covered.

Level 4: Stroke Improvement

Improve proficiency in performing swimming strokes introduced in Level 3. Skills include swimming front crawl 25 yards, breaststroke, back crawl and butterfly 15 yards.

Level 5: Stroke Refinement

Participants refine their performance of all six swimming strokes (front and back crawl, butterfly, breaststroke, elementary backstroke and sidestroke).

Swim lesson registration opens April 29 at 9 am

Camp Invention

(Grades K-6)

Camp Invention's new program, Discover, is an inspiring, week long summer experience that provides opportunities for open-ended, hands-on exploration of science, technology, engineering, and more! Campers take on a variety of exhilarating activities each day, have fun collaborating with friends, think creatively and invent their own solutions to real-world challenges. The all-new 2025 program will spark the imagination of both new and returning campers with an adventure full of inspiration, innovation and unforgettable discoveries! During this action-packed, confidence-boosting program, young innovators will:

- ◆ Use physics and engineering in Claw Arcade to make a DIY claw machine and explore entrepreneurship principles.
- ◆ Be introduced to optical illusions and create their own spinning animation device in Illusion Workshop and become special effects experts.
- ◆ Discover how Artificial Intelligence is imbedded in everyday road trip items like GPS and create their own Control Panel to send secret morse code messages in In Control.
- ◆ Embark on an eco-expedition with Snow-ver in Penguin Launch. Snow-ver is a robotic research penguin that campers will use to investigate penguin habitats while creating flippers and launchers to propel their own plush magnetic penguins across the South Pole.

Adult Basic Education & GED

We Are ABE

At WEST Adult Basic Education (ABE) sites in the west metro suburbs, caring teachers help adults with a variety of learning goals. Teachers at dozens of nearby sites serve adult learners throughout the majority of the year. WEST ABE welcomes adults, 17 or over, who are not currently enrolled in a regular school program. ABE teachers understand the unique challenges of adult learners. Materials are designed to help adult learners, and learning plans are individualized to help meet adult learners' needs. Learners study in the classroom and online. Let us help you meet your goals! Visit hotline.mnabe.org to find a class near you.

Academic Open Lab

ABE helps adult learners acquire or improve their math, reading or writing skills for the GED test, college entrance or employment.

Open Lab time is free!

- ♦ Mondays & Wednesdays, from 1:30-4 pm
- ♦ Tuesdays & Thursdays, from 6-8:30 pm
- ♦ Discovery Elementary, 301 2nd Ave NE, Buffalo, MN
- ♦ Closed same days as BHM Schools
- ♦ Classes held through July 31, then restart after Labor Day in September. **Closed August.**
- ♦ For more information, call 763.682.8509 or drop in.

Get Your GED

Each June, adult learners from several adult basic education sites around Wright County come together to be recognized for earning their General Education Development (GED) certificates. Be one of these graduates in 2025!

To get started, call Terrisa in Buffalo at 763.682.8509 or the WEST ABE manager at 763.272.2040 to locate a program near you.

English Language Class

In this welcoming environment, classes meet the needs of people whose native language is other than English, including recent immigrants, refugees, migrant workers, permanent residents and citizens. In-person classes provide opportunities for reading, writing, listening and speaking practice, at all skill levels. Classes are free!

- ♦ Tuesdays & Thursdays, from 6-8:30 pm.
- ♦ Discovery Elementary, 301 2nd AVE NE, Buffalo.
- ♦ Closed same days as BHM Schools.
