

## ALEDO ISD BOARD MEETING TEMPLATE

**MEETING DATE:** February 19, 2019

**AGENDA ITEM:** Consider amendment to the 2018-2019 approved T-TESS Appraiser List

**PRESENTER:** Lynn McKinney

### **Background Information:**

On an annual basis the Board must approve a list of qualified and trained administrators to appraise the teaching staff for the school year. A district list of appraisers was approved in August 2018.

### **Administrative Considerations:**

We would like to add Special Education Coordinator, Rebecca Faulkner, to the approved appraiser list. This will allow Mrs. Faulkner to assist the interim administrators at Walsh Elementary in conducting the T-TESS observations for teachers.

### **FISCAL NOTE:**

None

### **Administrative Recommendation:**

Administration recommends the approval of the revised district appraiser list for the 2018-2019 school year.
