**Date:** November 2015  
**Re:** Board Report

---

This is the second week of our Girls basketball and Wrestling season. I am very excited for the coaches that we have in place, and look to be very competitive this year at each grade and sport.

We currently have 23, 8<sup>th</sup> grade basketball players, 15, 7<sup>th</sup> grade basketball players, and 23 wrestlers to begin competition last week. This has been a fantastic athletic year thus far for the Middle school. Bringing home 3 of the four fall sport SRV Championship titles, and a runner up is awesome for the school, community, and especially the kids.

With the help from the Freestyle Wrestling Club our Middle school wrestlers will have the opportunity to attend the Borah Tournament later this month. This will give our wrestlers two very competitive tournaments to compete in this season with the other being the Capital Tournament. A big thanks goes out to the Freestyle Club for their support and involvement in Middle school wrestling.
