6152 - **STUDENT FEES, FINES, AND SUPPLIES**

Fees

The Board of Education may assess certain charges to students to cover the costs for extra-curricular and noncredit activities. Such charges might be made for expendable items such as magazines, workbook materials, paperback selections, and laboratory supplies and materials for clubs, independent study or special projects, and as well transportation costs and admission/participation fees for District-sponsored trips and activities.

No student, however, shall be deprived of participation in any mandatory school activity or required curriculum activity due to a lack of financial ability to pay and fees will not be charged for such activities. Extra-curricular activities for which fees will be charged may not be used in determining credit or grades in any course.

A fee shall not exceed the combined cost of the service(s) provided and/or materials used. An accurate accounting of all fees collected and all fees expended shall be provided to the Superintendent or his/her designee for each fee based activity at the conclusion of the activity, along with remission of any fees not expended.

Fines

When school property, equipment, or supplies are damaged, lost, or taken by a student, whether in a regular course or extra-curricular offering, a fine will be assessed. The fine will be reasonable, seeking only to compensate the school for the expense or loss incurred.

The late return of borrowed books or materials from the school libraries will be subject to appropriate fines. Failure to pay the fines may result in loss of privileges.

Any fees or fines collected by members of the staff are to be turned in to the accounting office within twenty-four (24) hours after collection.

In the event the above course of action does not result in the fee being collected, the Board authorizes the Superintendent or designee to take the student and/or his/her parents to Small Claims Court for collection.

Supplies

The District will provide all basic supplies needed by the student to complete the required course curriculum. The student and/or his/her family may choose to purchase their own supplies if they desire to have a greater quantity or quality of supplies, or desire to help conserve the limited resources for use by others. The teacher or appropriate administrator may recommend useful supplies for these purposes.

[X] Payment

For convenience to families, the Board may enter into an agreement with one or more credit card/online payment processing vendors to facilitate online payment of fees, fines, and charges. Parents/guardians or students may elect but are not required to make payments online. Vendors will comply with all Board policies and procedures related to confidentiality and security of information transmitted electronically. Payees will be notified of any processing or other nominal fees that may be charged for use of an online payment system before the transaction is completed.
