Seven artists from BHS competed this weekend in the Visual Art Scholastic Event (VASE) in San Antonio. This competition includes schools of all sizes from our region. The competition consists of exhibition of a completed art piece as well as an interview with a juror. All seven students received "Superior 4 Rating" on at least one of their art pieces and **ADVANCED TO THE AREA COMPETITION!** This is an impressive accomplishment for a school our size. The area competition was judged that afternoon and two of the artists advanced from area to the state competition.

Please take the time to congratulate these students and check out some of their work in the library. (The two pieces that made it to state are already headed to Dallas.)

Area qualifiers:

Peyton Bonner
Morgan Brown
Gage Brown
Emily Ford
Adrienne Loftus

State qualifiers:

Emma Palmer
Lexi Rawald

Thanks,
Christie
