Standards for Accreditation 1-Year Waiver Request

District Name: Earle School District LEA: 1802000

Superintendent: Tish Knowles Phone Number: 870-792-8486

Email Address: tknowles@esdbulldogs.org

Mailing Address: P.O. Box 637; Earle, AR 72331
1401 3rd Street

Waiver Topic: Class Size Standard: 1-A.6

Rationale for Waiver:

The Earle School District is requesting a one-year waiver for Standards for Accreditation for Class Size and Teaching Load for Geometry and Algebra II. We believe that getting this waiver at this time would benefit our students greatly. This waiver would help the school district overcome the secondary math teacher shortage at the high school by allowing a teacher to have more than the 30 student maximum limit in a class. Currently, we do not have applications on file for a secondary math teacher. The math instructional facilitator and parent liaison are both certified in secondary mathematics and have agreed to teach Algebra II and Geometry, respectively.

Currently, there are 33 students enrolled for Algebra II and 26 for geometry. The geometry enrollment is below the 30 student maximum count. We are including it just in case more students enroll.
