Superintendent's School Board Report – August 18, 2025

“We are here to help our Students.....
Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and
Anchor Themselves In Our Community.”

CORRESPONDENCE

None at this time.

BOARD

Aaron's Work – I continue to work with local families, ODE and other school districts to put together a viable option for the “POL Family Academy” (Homeschool support program). We have 25 students committed to enrolling, and have posted for a teacher. Your approval will be requested at the meeting.

I have also been busy answering questions for our new Principals. Both Lisa Wendel and DeAnna Williams will be starting their first year as a full Principal. They have a lot of questions, we are working to coordinate and align programs as much as we can, and they are both working diligently to put together the best programs and information possible to meet student, staff and parent need.

We are also very busy preparing for staff to return. Professional Development activities and calendars are being planned, schedules are being finalized and the rooms and hallways are looking great after the wonderful attention they have been given by our custodial staff.

Individual Board Member/Superintendent Meetings: Please set a time.

STUDENTS/ACADEMICS

Summer School - A full range of educational and enrichment options are available for all our K-12 students. Classes are going off without a hitch so far, with students enjoying our offerings, and recovering credits at the high school level.

Summer Meals – Free Summer Meals will be provided to ALL children age 1-18. Breakfast and lunch will be served in the Driftwood cafeteria. All students involved in Summer programs will have these meals scheduled as part of their programming. This program starts on Monday, June 23.

STAFF

Hiring: Open Positions: K-12 Counselor, K-6 PE Teacher, 4th Grade Teacher, Special Education Instructional Assistant, Bus Driver

BUDGET

State and Federal Budget Update – No new negative updates. In fact the feds have released promised, allocated funds that appeared to be in jeopardy. We have not yet had these numbers finalized by ODE, but the money we were promised will be coming our way.

FACILITIES

COPS GRANT UPDATE – Work on this was scheduled to be started last week. Mr. Miller will have an update for you at the meeting.

Other Projects - A new scoreboard has been installed in our gym, and the new scoreboard for the soccer field will be installed prior to the start of the season.
