2. A child is eligible for five (5) year old kindergarten when the child attains the age of five (5) on or before September 1st of the school year in which the child is being enrolled and meets the residency requirements. The child may not be placed in an alternative program without the permission of the parent.

A child must be six (6) years of age on or before September 1st in the school year in which the student enrolls. A student must also have completed a kindergarten program or received a waiver of this requirement.

The Principal shall perform any required testing to establish the student's academic capabilities and shall prepare a written evaluation that either grants or denies the waiver and provides an explanation as to the

decision.

C. Appeal of Denial of Waiver

The parents of any student denied a waiver under this section by the Principal may appeal that decision to the District Administrator by submitting a written request to the District Administrator within ten (10) calendar days of the decision of the Principal.

The decision of the District Administrator is final.
