

Board of Education

PRESENTATION

TITLE: Elementary Robotics

DATE: May 6, 2019

RESPONSIBLE ADMINISTRATOR: Doug Brubaker, Ph.D.
Superintendent

BACKGROUND/CONSIDERATIONS:

Earlier this school year, information was shared about Robotics Clubs that are developing throughout the District. Tonight, Science Coordinator Leslie Brodie is here to update the Board on what the students are accomplishing. Cook Fourth Grade teacher and Robotics Club sponsor Allison Hart and her students will demonstrate a LEGO project they are working on.

RECOMMENDATION:

This is a presentation. It does not come with a recommendation.
