Addition information

One student reported as new to the district previously that withdrew 9-29-09 has returned.

An elementary student previously identified in Colorado has enrolled.

As of 12-3-09 two students have begun check in paperwork but have not returned as expected. If they return it will increase our numbers by two.

PBMAS reports continue to be reviewed and refined for January submission

Our homebound student is being served during the weeks he is well enough to concentrate on school work.
