From: Tony Wagner
 Title: Athletic Director

Subject: Browning High School Athletic Hall of Fame

Justification: The purpose of the Browning High School Athletic Hall of Fame would be to recognize individuals who have distinguished themselves in the field of athletics, by virtue of athletic performance on athletic teams, or by meritorious service. Hall of Fame inductions are important because they connect the past with the present. They serve to recognize the best of the best and give current kids and families a blueprint for success. The preservation and promotion of a high school's athletics history and tradition is of the utmost importance for any athletic administrator. That dual mission may seem obvious enough, but utilizing school resources for hall of fame nights and special recognition for championship teams of yesteryear takes a great deal of preparation.

Financial Impact: \$20,000.00

Funding Source (Budget/grant, etc.): 226-60-720-3500-???
