Re: Approval of 4 year contract for math consumables and digital licenses

Recommendation:

It is the recommendation of the Superintendent to approve a four year contract with Cengage learning for the purchase of Big Ideas Math materials at a cost of \$20,878.00.

Background Information:

Winfield School District 34 has been using Big Ideas Math as our core resource for math materials. This contract represents a savings of over \$9,000 during the four year period of learning for the consumable materials used in the program.
