8:20 Community Use of School Facilities

School facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any school function or affect the safety of students or employees, or (2) affect the property or liability of the School District. The use of school facilities for school purposes has precedence over all other uses. The District reserves the right to cancel previously scheduled use of facilities by community organizations and other groups. The use of school facilities requires the prior approval of the Superintendent or designee and is subject to applicable procedures.

Persons on school premises must abide by the District's conduct rules at all times.

Student groups, school-related organizations, government agencies, and non-profit organizations are granted the use of school facilities at no costs during regularly staffed hours. Fees and costs shall apply during non-regularly staffed hours and to other organizations granted use of facilities at any time. A fee schedule and other terms of use shall be prepared by the Superintendent and be subject to annual approval by the Board. All non-school sponsored groups, before using the facilities during non-regularly staffed hours, must provide a certificate of insurance naming the District as an *additional insured* or otherwise show proof of insurance.

8:30 Visitors to and Conduct on School Property

The following definitions apply to this policy:

School property - District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a Board of Education meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities.

Visitor - Any person other than an enrolled student or District employee.

All visitors to school property are required to report to the Building Principal's office and receive permission to remain on school property. All visitors must sign a visitors' log, show identification, and wear a visitor's badge. Identification will be held in the office while the visitor is on school grounds. When leaving the school, visitors must return their badge. The visitor's identification will be returned at that time. On those occasions when large groups of parents/guardians, friends, and/or community members are invited onto school property or when community members are attending Board meetings, visitors are not required to sign in but must follow school officials' instructions. Persons on school property without permission will be directed to leave and may be subject to criminal prosecution.

Except as provided in the next paragraph, any person wishing to confer with a staff member should contact that staff member to make an appointment. Conferences with teachers are held, to the extent possible, outside school hours or during the teacher's conference/preparation period.

Requests to access a school building, facility, and/or educational program, or to interview personnel or a student for purposes of assessing the student's special education needs, should be made at the appropriate building. Access shall be facilitated according to guidelines from the Superintendent or designee.

The School District expects mutual respect, civility, and orderly conduct among all people on school property or at a school event. No person on school property or at a school event (including visitors, students, and employees) shall perform any of the following acts:

1. Strike, injure, threaten, harass, or intimidate a staff member, Board member, sports official or coach, or any other person;
2. Behave in an unsportsmanlike manner, or use vulgar or obscene language;
3. Unless specifically permitted by State law, possess a weapon, any object that can reasonably be considered a weapon or looks like a weapon, or any dangerous device;
4. Damage or threaten to damage another's property;
5. Damage or deface School District property;
6. Violate any Illinois law, or town or county ordinance;
7. Smoke or otherwise use tobacco products;
8. Distribute, consume, use, possess, or be impaired by or under the influence of an alcoholic beverage, cannabis, other lawful product, or illegal drug.
9. Be present when the person's alcoholic beverage, cannabis, other lawful product, or illegal drug consumption is detectable, regardless of when and/or where the use occurred.
10. Use or possess medical cannabis, unless he or she has complied with policy 7:270, *Administering Medicines to Students*, implementing *Ashley's Law*.

11. Impede, delay, disrupt, or otherwise interfere with any school activity or function (including using cellular phones in a disruptive manner);
12. Enter upon any portion of school premises at any time for purposes other than those that are lawful and authorized by the Board of Education;
13. Operate a motor vehicle: (a) in a risky manner, (b) in excess of 20 miles per hour, or (c) in violation of an authorized District employee's directive;
14. Engage in any risky behavior, including roller-blading, roller-skating, or skateboarding;
15. Violate other District policies or regulations, or a directive from an authorized security officer or District employee; or
16. Engage in any conduct that interferes with, disrupts, or adversely affects the District or a School function.

Exclusive Bargaining Representative Agent

Please refer to the applicable collective bargaining agreement(s).

For employees whose collective bargaining agreement does not address this subject:

Upon notifying the Building Principal's office, authorized agents of an exclusive bargaining representative will be provided reasonable access to employees in the bargaining unit they represent in accordance with State law. Such access shall be conducted in a manner that will not impede the normal operations of the District.

Convicted Child Sex Offender

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender meets either of the following two exceptions:

1. The offender is a parent/guardian of a student attending the school and has notified the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion; or
2. The offender received permission to be present from the Board, Superintendent, or Superintendent's designee. If permission is granted, the Superintendent or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Enforcement

Any staff member may request identification from any person on school grounds or in any school building; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from or denied admission to school property in accordance with State law. The person also may be subject to being denied admission to school athletic or extracurricular events for up to one calendar year in accordance

with the procedures below.

Procedures to Deny Future Admission to Athletic or Extracurricular School Events

Before any person may be denied admission to athletic or extracurricular school events, the person has a right to a hearing before the Board. The Superintendent may refuse the person admission pending such hearing. The Superintendent or designee must provide the person with a hearing notice, delivered or sent by certified mail with return receipt requested, at least 10 days before the Board hearing date. The hearing notice must contain:

1. The date, time, and place of the Board hearing,
2. A description of the prohibited conduct,
3. The proposed time period that admission to school events will be denied,
4. Instructions on how to waive a hearing, and
5. If a child sex offender violates this policy, school officials shall immediately contact law enforcement.

8:70 Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services where necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent or designee is designated the Title II Coordinator and shall:

1. Oversee the District's compliance efforts, recommend necessary modifications to the Board of Education, and maintain the District's final Title II self-evaluation document, update it to the extent necessary, and keep it available for public inspection for at least three years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

8:80 Gifts to the District

The Board of Education appreciates gifts from any education foundation, other entities, or individuals. All gifts must adhere to each of the following:

1. Be accepted by the Board or, if less than \$500.00 in value, the Superintendent or designee. Individuals should obtain a pre-acceptance commitment before identifying the District, any school, or school program or activity as a beneficiary in any fundraising attempt, including without limitation, any Internet fundraising attempt.
2. Be given without a stated purpose or with a purpose deemed by the party with authority to accept the gift to be compatible with the Board's educational objectives and policies.
3. Be consistent with the District's mandate to provide equal educational and extracurricular opportunities to all students in the District as provided in Board policy 7:10, *Equal Educational Opportunities*. State and federal laws require the District to provide equal treatment for members of both sexes to educational programming, extracurricular activities, and athletics. This includes the distribution of athletic benefits and opportunities.
4. Permit the District to maintain resource equity among its learning centers.
5. Be viewpoint neutral when the gift involves the incorporation of any messages. The Superintendent or designee shall manage a process for the review and approval of donations involving the incorporation of messages into or placing messages upon school property.
6. Comply with all laws applicable to the District including, without limitation, the Americans with Disabilities Act, the Prevailing Wage Act, the Health/Life Safety Code for Public Schools, and all applicable procurement and bidding requirements.

The District will provide equal treatment to all individuals and entities seeking to donate money or a gift. Upon acceptance, all gifts become the District's property. The acceptance of a gift is not an endorsement by the Board, District, or school of any product, service, activity, or program. The method of recognition is determined by the party accepting the gift.

8:90 Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board of Education's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supercede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

8:110 Public Suggestions and Concerns

The Board of Education is interested in receiving valid suggestions and concerns from members of the community. Any individual may make a suggestion or express a concern by contacting any District or School office. Community members who email the District or any District employee or board member are expected to abide by the standards in Board policy 6:235, *Access to Electronic Networks*, and should, to the extent possible, limit their communications to relevant individuals. All suggestions and/or concerns will be referred to the appropriate level staff member or District administrator who is most able to respond in a timely manner. Each concern or suggestion shall be considered on its merit.

An individual who is not satisfied may file a grievance under Board policy 2:260, *Uniform Grievance Procedure*. The Board encourages, but does not require, individuals to follow the channels of authority prior to filing a grievance. Neither this policy nor the *Uniform Grievance Procedure* create an independent right to a hearing before the Board.
