

# HILLSBORO HIGH SCHOOL

## Hillsboro High School Board Report – November 2019

### Hillsboro High School Enrollment

Total = 530 (9<sup>th</sup> – 156, 10<sup>th</sup> – 132, 11<sup>th</sup> – 128, 12<sup>th</sup> – 114)

### Hillsboro High School Dual Credit Students

Hillsboro High School in partnering with Hill College recently recognized several Hillsboro High School Dual Credit students. Each school year, Hill College presents an event hosted by Hillsboro High School called "15 Forward and Think 30." This event recognizes Hillsboro High School Dual Credit students who have earned 15 and 30 college credit hours. The students in blue shirts have earned 15 dual credit college hours and the students in white shirts have earned 30 dual credit college hours. We are so proud of our HHS students and truly appreciate the tremendous partnership we have with Hill College.

## **Hillsboro High School Rotary Students of the Month**

The Hillsboro High School Rotary Club recently recognized two Hillsboro High School students as their Hillsboro Rotary Club Students of the Month. The Hillsboro High School students recognized were Alyson Rea and Sean Hyland. Both of these students exhibit high character traits and are positive peer role models at HHS. Alyson is very active in a variety of extra-curricular including Cheerleading and Student Council. Sean is also very active in his AG classes and Athletics. Congrats Alyson and Sean. And thank you to the Hillsboro Rotary Club for recognizing our hard working Hillsboro High School students.

## **Hillsboro High School SAT / PSAT Testing Day**

On October 16, our Hillsboro High School Guidance Counselors (Mr. Sumrall and Mrs. Schroeder) organized a Hillsboro High School Testing Day for our Hillsboro students. Our entire Junior class (128 students) traveled to the Hilco Convention Center to take the PSAT. The testing company that oversees the testing procedures had very strict guidelines on the specifics of length of tables, acceptable length between testers, etc. With that being said, we are unable to provide the approved requirements on our actual HHS campus. 40 HHS Seniors remained on the HHS campus to take the SAT test and 40 HHS Sophomores stayed on the HHS campus to take advantage of an early opportunity to take the PSAT prior to their Junior year. It is encouraging watching all of these great testing opportunities that are being presented to our Hillsboro High School students. A huge thank you to Mr. Sumrall and Mrs. Schroeder for their leadership as our Hillsboro High School Guidance Counselors.
