Site Council

We would like to warmly invite you to participate in our upcoming School Site Council meeting on Wednesday May 7th, at 2:30 pm and be a part of the important conversations that help shape the future of our school. During this meeting we will be asking input on our Student/Parent/Teacher compact and our Family involvement plan for 25/26 school year.

The School Site Council is a collaborative team of parents, staff, and administrators who work together to support student achievement, review school goals, and ensure that our plans align with our core values and the needs of our community. Your voice and perspective as a parent are incredibly valuable to this process.
