Item: Resolution on Initial Determination Regarding Prevailing Wage Requirements

Contact Person: Dr. Michael Morgan

Presented for: Action Report Only

Supporting Documents: None Attached Provided Later

District Goal or Objective Addressed:

Goal 5: Maximize our use of resources for both current priorities and plans for the future.

Background Information:

Texas Government Code § 2258.023 provides, in part, that a contractor who is awarded a contract by a public body or a subcontractor of the contractor shall pay not less than the rates determined by the public body to a worker employed by it in the execution of the contract. Belton ISD's construction auditor indicated that a subcontractor, Advanced Surveying and Mapping, LLC, initially underpaid an employee by \$1/hour for the time the employee worked on the project (approximately 154 hours), violating the Texas Government Code. The subcontractor's employee who was underpaid will be compensated by their employer at the required rate via supplemental pay.

Fiscal Implications:

None.

Administrative Recommendation(s):

Approve the resolution on initial determination regarding prevailing wage requirements as presented.
