Dear Evergreen Families-

Spring is upon us, what a blessing these warmer sunny days have been.

Students have appreciated it as well. Our soccer nets are up and new soccer balls have been distributed to classrooms. Students have been hard at work since returning to on site learning, and their progress has been visible. We are so proud of them. I also appreciate how families got the word out for our Read-A-Thon. This money will help to pay for several projects. Please note, we are looking for parents to participate in our PTO (Parent Teacher Organization). We have a virtual meeting this month, and would love new members. Please see this newsletter for more information.

Sincerely, Jenny Jones

Principal

What did the tree say to spring?
What a re-leaf!

A School Site Council (SSC) is a group of teachers, parents, administrators, and interested community members who work together to develop and monitor a school's improvement plan. It is a legally required decision-making body for any school receiving federal funds.

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
