

CROCKETT COUNTY CONSOLIDATED COMMON SCHOOL DISTRICT
BOARD OF EDUCATION

Subject: **Consider Resolution Related to School Vouchers**

Related Pages: (Sample Resolution Attached)

Presented by:
Chris duBois
Superintendent

ACTION

BACKGROUND INFORMATION

Many School Boards are concerned about current Legislative attention to school vouchers or other mechanisms that would reduce public school funding while increasing state support to Charter schools. The Texas Association of School Administrators has drafted a Sample resolution for your consideration if you feel our Board should join voices with others in opposing any measures that increase support of Charters when funding for public schools is still deficient.
