<p>What I am requesting for prompt disclosure are records in your possession detailing your discussions about [1] formally recognizing (i) the month of September as “World Suicide Prevention Month;” (ii) September 10th 2025 as “World Suicide Prevention Day (WSPD);” [2] the Missouri Department of Mental Health (MODMH) as a state government agency, which has in the past formally commemorated World Suicide Prevention Month by proffering the following advice: “When someone you know is in emotional pain, ask them directly, ‘Are you thinking of killing yourself?’ Research suggests acknowledging suicide may reduce rather than increase suicidal ideation. Asking the question in a direct, unbiased manner communicates that you are open to speaking about suicide in a non-judgmental way and supportive way. Other questions you can ask include, ‘How can I help?’ and ‘What can we do about this?’ Asking these questions can open the door to honest communication to learn what next steps need to be taken.”</p>	9/10/2025	Granted	9/18/2025
