Re: Energy Conservation Campus of the Month

Inspections are conducted on a daily/weekly basis in an effort to minimize energy loss throughout the district. An energy saving initiative has been established with a month to month comparison of energy conserved from the fiscal year of 2016-2017 vs the fiscal year of 2017-2018 for the highest percentage rating on energy conserved.

CC. Winn High School showed the highest energy conservation savings for the month of October. Thanks to the routines and procedures from **CC.Winn**, they have displayed an outstanding job performance that has earned them a 12% overall savings. We congratulate Mr. Jesus Diaz-Wever and his staff for a job well done.

“Together we can all make a difference in our Community”.

Thank You: Armando Zertuche.
