Re: High School Principal Report January, 2018

As we begin the second semester we are looking forward to a great start to 2018. We have a lot to be grateful for here at HHS. Keeping our fingers crossed that we don't experience any of the similar weather conditions as last year during this time. The High School is very much looking forward to the work with PBIS and the building leadership team is excited to implement the behavioral intervention strategies to help further improve the culture here at HHS.

December Events (In review)-

December 4th- PD After School (Quizlet)

Quizlet is a mobile and web-based study application. It is currently used by 1-in-2 high school students and 1-in-3 college students in the United States. It was created by Andrew Sutherland in October 2005 and released to the public in January 2007. Quizlet trains students via flashcards and various games and tests. As of August 2017, Quizlet has over 140 million user-generated flashcard sets and more than 20 million active learners.

We currently utilize this tool during our advisory times for MAP review, ISAT Review, ACT/SAT Review, as well as in our general classroom setting for Warm ups, Review, and as exit review.
