### **Curriculum**

On May 1, our 4th and 5th grade students took the stage with an energetic and entertaining performance of *Pirates, The Musical*. Their singing and dancing were outstanding, and the audience was thoroughly delighted!

A heartfelt thank you to Mrs. Hartnett for her dedication and effort in bringing this production to life for both students and families.

The evening also showcased the talents of our 5th grade band, who performed several pieces under the direction of Mr. Pryor. We appreciate his leadership and the time he spent preparing students for a successful performance.

On May 2, we welcomed grandparents and special guests to celebrate Grandparents Day. Our K–3 students gave a heartwarming performance that filled the room with joy. It was a wonderful morning, and everyone left with a big smile on their face!

## School Celebrations

A big congratulations to the Spring Grove Elementary Girls on the Run team for completing their 5K on May 18 in Woodstock! We're so proud of their hard work, determination, and team spirit throughout the season. Way to go, girls!

Girls on the Run is a national program that inspires girls to be joyful, healthy, and confident using a fun, experience-based curriculum that creatively integrates running. Over the course of several weeks, participants build friendships, develop life skills, and train to complete a celebratory 5K at the end of the season.
