RE: Aledo ISD Education Foundation  
Requested Use of Aledo Bearcat Logo

Dr. Citty,

This letter is a written request by the Aledo ISD Education Foundation to allow use of the Aledo ISD Bearcat Logo into the overall logo of the newly created Aledo ISD Education Foundation. The Aledo ISD Education Foundation understands that this is a logo that is copy wrieded and would like written approval from Aledo ISD prior to moving forward with new marketing related items. The Aledo ISD Education ISD Foundation Board of Directors approved this logo at the Regular Board Meeting held on August 13, 2013. This Board feels that this logo is instrumental in showing the alliance of the Aledo ISD Education Foundation and Aledo ISD. The Bearcat Logo is a very well known symbol of Aledo ISD and this board felt that that symbol should be an important part of the Aledo ISD Education Foundation. Below is the sample logo that has been created and would be used by the Aledo ISD Education Foundation in all of its marketing related items.

Sincerely,

Mike Trammell  
Vice President of Marketing and Events  
Aledo ISD Education Foundation
