

Cameron Elementary School  
Principal's School Board Report  
December 16, 2024

**November 22** - Cameron Elementary School celebrated the end of the 1st trimester with a movie for all students at Lake 7 Theaters. Students watched the movie, The Wild Robot. Students also received a drink and popcorn to go along with the movie. I would like to thank our elementary families and our PTO for sponsoring this movie.

**December 2** - Three students represented Cameron Elementary School during the Barron County Shop With A Cop event. Students were chosen to go Christmas shopping with multiple officers from the Cameron Police Department and the Barron County Sheriff's office. There was an allotted amount of money students were allowed to spend. They needed to spend a portion on their family and there was some to spend on themselves. Students met up at Farm and Fleet to complete their shopping and then ate dinner at Maranatha . Our students had a great time, and I would like to thank our local law enforcement agencies for providing such a needed program.

**December 11** - District 4:30 Day. Cameron Elementary teachers worked on Act 20 materials and preparations. Intervention planning was one main topic. There was also preparation for the official rollout of January 1, 2025.

**December 12** - The Cameron District administration team and school counselors met with the Barron County Health and Human Services team. During this meeting we discussed families in our district and services either being given or recommended services.

**December 12** - The Cameron Elementary Christmas Program was held. Our students were outstanding in their performance. I would like to thank Mrs. Traicof-Stratioti and all the other staff members that helped make this a successful day. I would like to thank our custodial department for making sure everything was set up.

I would like to say thank you to our technology department. They have worked very hard this year to support the elementary school. They also have done an excellent job having our programs live streamed for people to watch from home.

I would like to wish everyone a Happy Holidays. Cameron Elementary School has a wonderful staff that are extremely dedicated.
