PACE Outreach

PACE advertising has been deferred at this time. Over the next several months, our marketing team will focus on search engine optimization through reviews and updating the PACE website.

All learning centers are hosting in-person events this month, in addition to the first ever activity we've hosted in Fairbanks.

Informational zooms will also take this place this month to assist families with entering grades.

PACE Staffing

A half-time PACE Contact Teacher position has been posted and we are hopeful to find the perfect candidate to fill this position in our ALC.

School Improvement

PACE uses our A3 goals to guide our work for the year; one focus of the 22-23 school year continues to be how we serve our at-risk students and families. Simultaneously we're working on curriculum browser updates and ensuring our website is up-to-date and easily accessible to both current and potential families. However, our main focus this year will be on retention.
