

***ALBANY AREA SCHOOLS
SCHOOL BOARD
2015-2016 GOALS***

1. Empower and encourage staff to expand innovative teaching practices and the use of technology. Promote risk-taking, the exploring of new ideas to further differentiate instruction and expand opportunities for students. Provide recognition and incentives for groups of teachers creating these opportunities.
2. Dramatically improve communication and outreach to parents and community members. Design and implement a comprehensive, multifaceted communications plan.
3. Create a caring, supportive, and motivating environment for students and staff. Establish a culture that fosters personal and professional growth.
