With year-end approaching, we are wrapping up and completing IEPs' and evaluation reports. Colleen is currently working on OPI Reports due by year-end and transitioning caseloads for the coming school year.

We have eight SPED students graduating this year. Good job and congratulations to all of them.

Extended School Year will be July 22 through August 2nd located at Browning Elementary.

Laura Gervais, the Interim SPED Director and her previous years of experience has been an asset to SPED staff. Thank you.
