

North Slope Borough School District & SchoolBlocks

6/9/22

The following contract is between North Slope Borough School District & Sopris Apps LLC (dba "SchoolBlocks"). Its purpose is to outline the associated fees and services.

SchoolBlocks Commitment

- Provide unlimited implementation guidance & support.
- Continuously support all community members at no extra charge.
- Host, through a highly scalable solution including integration with G-Suite & O365.
- Provide an ADA compliant system and support that for the duration of the contract as well as any updates needed to get out of OCR complaint.

North Slope Borough School District Commitment

- District must review the timeline and set up the navigation sitemap spreadsheet and get Google authentication setup within 14 days of this commitment. Without this navigation review and authentication, migration of content from the old site to SchoolBlocks cannot proceed.
- One-time startup fee of \$3,600 (\$300 per school site plus district site). Includes migration of content, except for teacher sites.
- Hosting fee: \$685/website/year = \$8,905/year. Not to exceed \$12,505. Total to be invoiced Jul 1, 2022 .

Assuming 13 sites: 1 District Site, 12 schools

Agreed:

Stephen Shapiro
President, SchoolBlocks.com

829 Aivik St.
Utqiagvik, AK 99723

Please Note

- This Contract is valid for 30 days.
- There is a 3% Processing Fee on Credit Card Payments.
- There is a 5% increase in hosting fees for 1 year only.
- Termination of contract requires 120 day notice by either party in writing. If no notice is received, contract auto renews for the next 12 month period.
