<p>Josh Robinson Superintendent</p>	<p>Staff Transitions Staff have been incredibly responsive and supportive as we work through various staffing changes, especially as we prepare for the upcoming school year. Filling our available positions remains a challenge.</p> <p>District Audit The District’s financial audit was conducted last week and went well, with no preliminary findings or suggestions. The auditors will continue to prepare their reports over the next several months and submit their findings to the DPI.</p> <p>Summer School and Summer Projects The support staff have been executing their summer plans efficiently, even while summer school has been in session. Upcoming projects in the next month include the installation of the IP clock and communication system, sidewalk cement work, gymnasium paint, parking lots, and outdoor recreation areas.</p> <p>Campus Connect Plan The team working on the Transportation Alternatives Program (TAP) grant for the Safe Routes to School Campus Connect Plan will be meeting again this week regarding next steps in the design phase.</p> <p>Reading Initiatives Director of Instruction, Ms. Hansford, has completed 40 hours of reading/literacy training on the science of reading, specifically on the Top 10 Tools for Reading. She is developing a plan to implement with specific grade bands.</p> <p>eNewsletter Release We have created a new District eNewsletter and will have a fresh one posted each month. At this time, the newsletter link can be found on the District’s main page. We will also have a quarterly, print version, which will be sent to residents in the mail and posted to the same page as July’s eNewsletter. eNewsletter</p>
<p>Erin Hansford, Director of Instruction</p>	<ul style="list-style-type: none"> ● In response to the DPI's Motion 57, allocating reimbursement up to \$4000 for our district, eight teachers from 4K-2nd grade will participate in 40 hours of Science of Reading literacy training called "Top 10 Tools". ● Ms. Hansford will coordinate literacy professional development for teachers in grades 3-5, 6-8, and 9-12 to enhance literacy practices in all subjects, supporting the Science of Reading. ● Additional support will be provided through coaching cycles and professional development opportunities with the Instructional Coach and Reading Specialist. Implementation of literacy professional development will occur throughout the year. ● Additional professional development is being prepared to help onboard new teachers, associate staff, and bus drivers in collaboration with Siren Bus Company.
<p>Jada Anderson, Pupil Services Director/Athletic Director</p>	<p>SPED/Pupil Services</p> <ul style="list-style-type: none"> ● The SPED department is in year 2 of their Procedural Compliance Self Assessment Cycle. During this school year, DPI will select a random pool of IEP’s for the district to review. In doing so, a team of special education staff will review the selected IEP’s to ensure that they are in compliance with state laws and regulations, as well as being implemented to fidelity district wide. ● Ms. Anderson has worked very closely with CESA representatives on ways to properly train and retain Special Education/Pupil Services staff. During this process, she has been able to identify various onboarding opportunities that can be implemented during various PD trainings and during inservice days.

- Ms. Anderson has taken on the role of 504 coordinator for the district. In doing so, she began meeting with school counseling staff to determine various duties and responsibilities that they might have within this universal system.

Athletic Updates

- Ms. Anderson recently participated in the New AD Workshop that was held at the WIAA Office in Stevens Point. During this workshop, she was able to review eligibility requirements, WIAA rules, and network with other smaller districts.
- Ms. Anderson is working closely with the 6-12 principal to review our current Coaches Handbook and our Extracurricular Activities and Programs Code to make sure they continue to align with our overall vision for Frederic.
- Ms. Anderson will be holding an all coaches meeting July 27th at the 6-12 building to thoroughly discuss the Coaches Handbook. During this time, roles and responsibilities of the coaches will be discussed.
