RE: Non-renewal of Full-Time Teachers and Certificated Employees

DATE: April 9, 2014

It has been our practice in past years to non-renew certain certificated, full-time teachers due to the return of teachers from full or partial leave of absence, enrollment uncertainty in specific academic areas, licensure deficiencies, or for performance related reasons. Taking such action at this time in the school year protects the school district from employing individuals whose services are not required or who will not hold the proper Illinois teaching license next school year. Taking this action also provides our administrators with greater flexibility in creating a staffing plan that is responsive to changes in student enrollment and/or student course selection patterns.

I recommend that Board of Education adopt the attached resolution.

Should you have any questions, please contact me.
