

MEETING DATE: April 17, 2023

AGENDA ITEM: Consider Approval of Extension of Contract for Awarded Vendors for Career and Technology Education Supplies, Services, Equipment, and Repair

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- If it is anticipated the District will spend \$50,000 or more on a class of product during a fiscal year, Aledo ISD policies require the District to purchase those goods or services via a bid or purchasing cooperative.
- Based on historical purchasing patterns, it is anticipated the District will exceed the \$50,000 threshold for the purchase of Career and Technology Education supplies, services, equipment, and repairs.
- On March 11, 2022, the District distributed Request for Proposal (RFP) 22-031122 through the Aledo ISD eBid System. Electronic responses to this RFP were submitted through the Aledo ISD eBid System until 2:00 PM (CST) on April 7, 2022.
- The original contract period for this bid was from date of award through April 30, 2023.
- As stipulated in the original bid documents, the District reserved the right, with vendor's acceptance, to extend the bid in one-year increments through April 30, 2026, for a total of four (4) years.
- The District has elected to extend the bid through April 30, 2024, the first of three one-year increments.
- Following is the Aledo ISD Career and Technology Education Supplies, Services, Equipment and Repair Vendor List for your review and consideration.

FISCAL INFORMATION:

Purchases made from the vendor list for Career and Technology Education supplies, services, equipment, and repairs will be paid with available budgeted funds during the contract period.
