January: 94.05%	January 93.78%
February: 97.59%	February: 97.89%

Staff Attendance:

August- 100%
September- 90%
October- 95%
November- 95%
December-94%
January-90%
February-89%

Strengths:

Students have made significant progress regarding their academic achievement, as well as positive classroom behavior this school year. Teachers have established consistent routines, procedures, and expectations and students are thriving at both school!

Concerns/Needs:

It is challenging to create a consistent counseling & library schedule for Big Sky & Glendale Schools. Distance & travel from Browning, weather, a staff resignation, and staff availability for replacement has been a challenge both this year and last.

Greetings from Glendale,

I continue to be pleased with student progress and attendance. February was a quiet month. Fun events included a Valentines Day party and a visit from the GNP ranger. The rangers are always so prepared and have such interesting and engaging activities to share. Alex Wipf was the winner of our "I Love to Read" challenge. He received a bag full of goodies. Congratulations Alex! Wishing you all a very merry March.

We had a 98% attendance rate for the month of February. We were not unhappy when the groundhog saw his shadow on February 2nd because our students love winter. Our students have really begun to take an interest in reading the whole novel after having excerpts in their reading curriculum. We have been able to bring some of the books from the public library to foster a love of reading. The students created a book of similes. They enjoyed being both the author and illustrator. The rangers came and gave the students a lesson on trees and the impact of fire on them. We had a lovely Valentine's party on February 14.

Respectfully submitted,
Ms. Racine
