Concurrent Enrollment / College Credit Update:

At R-P we will be offering the following college credit opportunity classes/programs this year:

- Prototype Engineering and Auto Technician (Partnership with MN State-SE – Students attend a class on MN State-SE Campus one night per week)
- Concurrent Enrollment Classes (Taught by R-P Staff, student is concurrently enrolled in R-P and MN State-SE)
 - o Human Biology – Mr. Koenen
 - o College Algebra – Mr. Hatch
 - o Pre Calc – Mr. Hatch
 - o English 12 – Mrs. Michel
 - o AP Literature and Composition – Mrs. Michel
 - o Sociology – Mr. Mlsna
 - o Intro to Hispanic Cultures – Mrs. Bieberdorf
- Advanced Placement Courses (Taught by R-P Staff, students take a test at the end of the year to earn college credit)
 - o AP Psychology – Mr. Mlsna
 - o AP Literature and Composition – Mrs. Michel
- CNA Certification (Partnership with Good Shepard and MN State-SE, students can earn their CNA certification. Through the process, they can earn 7 credits at MN State-SE)
- Articulate Courses (Taught by R-P Staff, and have an agreement with MN State-SE that if student attends, the course will be transitioned to college credit)
 - o Advanced Algebra – Mr. Hatch
 - o Intro to College Algebra – Mrs. Mathison
 - o Intro to Welding – Mr. King
- Contracted PSEO (Agreement with MN State-SE allowing our students to take on-line PSEO courses at a reduced rate. Still considered our students, MN State-SE bills R-P schools for the courses)

| College Credit Savings to R-P Students | | | | | |
|--|-------------|-------------|-------------|-------------|--------------|
