CONFERENCES: We had 93% attendance to our Spring Conferences in March.

BOOK FAIR: The PTO held a book fair during conferences. They made just around \$6,000 (\$4,281 in book credit) which is quite a bit higher than last year. The PTO uses a local book fair company out of Meridian and receives 60% back instead of the standard 50% from Scholastic. Teachers made a “wish list” for parents to buy books and for the teachers to receive new books for their classrooms. We certainly appreciate the parents and PTO for their support!

JUMP ROPE FOR HEART: Mr. Long held a week-long Jump Rope for Heart event during his PE classes. Students secured pledges from family and friends. The students raised \$1,031 for the American Heart Association.

INDICATORS OF PROGRESS (ISIP) EARLY READING: This is data from the new state IRI program. The students log on each month for progress monitoring. Benchmark scores for the state are taken in August/September and May.
