SUBJECT: Board consideration of a contract with Buford Thompson Construction

RATIONALE:

As you are aware, in the called board meeting held this past week, the Board approved the hiring of Buford Thompson Construction (BTC) to serve as the Construction Manager- Agent for the Newton Stadium renovation/reconstruction project.

Since that meeting, we have been working with BTC to final the contract terms. If this process is completed by March 2nd the contract and a recommendation will be presented to the Board.
