Re: Approval of School Specialty for CHS Tennis Center Furniture

The 2023 Bond election (Proposition D) includes renovations and additions to the Coppell High School tennis center. School Specialty worked closely with Alyssa Noonan, head tennis coach, in planning the furnishing the interior and exterior of the facility.

The furnishings include interior tables and chairs for instruction, office furniture, casual seating, exterior benches and seating for the concession area, and on court benches.

This quote was competitively procured in accordance with Texas Education Code §44.031. The total cost for the furniture is \$98,096.45.

RECOMMENDATION: That the Coppell ISD Board of Trustees approve the quote from School Specialty for the interior and exterior furniture for the Coppell High School tennis center at a total cost of \$98,096.45.
