Recommendation(s):

We recommend the approval of a donation of \$2,707 from the Shorewood Swim Club to be used for electrical costs associated with the installation of the new scoreboard at VHE Pool at Shorewood High School.

Purpose:

The purpose of the contribution is to support the electrical costs associated with the installation of the new scoreboard at VHE Pool at Shorewood High School.

Background:

The Shorewood Swim Club contributed funding to help pay for the costs of the VHE Pool Scoreboard. We received an invoice from Roman Electric for electrical work related to the installation of the scoreboard. The Shorewood Swim Club gave the District a check for the same amount as the cost of the electrical work invoice – \$2,707 – as a donation to support the cost of the electrical work.
