Board report

We have survived the holiday break with everyone returning plus three new students. The basketball schedule is a busy one this week and the next with scheduled games and a tournament on Saturday.

We continue to push for the STARR testing with new teachings and reviews in every class. We have scheduled a bench mark test for March 5th and 6th. We will increase the preparation for these days as the tests draw closer.

We are also busy making plans for our annual Pancake Day that will be held on February 2nd.

% of Daily Attendance for 3rd 6 weeks

6th grade – 95.82%

7th grade – 96.00%

8th grade – 95.34%
