

**BOARD AGENDA ITEM**  
**Board of Trustees Meeting February 9, 2016**

**Consider Approval of Class Size Waivers**

**SUMMARY:**

This item requests approval to apply for a maximum class size exemption waiver from the Texas Education Agency as required by Texas Education Code (TEA) 25.112. These requests are based on enrollment as of February 4, 2016, for Kindergarten through fourth grade for the following schools:

- |                  |                     |                  |
|------------------|---------------------|------------------|
| • Adkins (3)     | • Ginnings (1)**    | • Providence (5) |
| • Blanton (1)    | • Hawk (3)          | • Stephens (1)   |
| • Cross Oaks (2) | • L.A. Nelson (1)*  | • Wilson (2)     |
| • Evers (3)***   | • Paloma Creek (1)* | • WS Ryan (0)    |

\*LA Nelson and Paloma Creek: These campuses can balance class sections; however, balancing/reassigning students at this time would create a disruption to student learning.

\*\*Ginnings principal, Marcy Auchter, has been released to hire an instructional aide to support 1<sup>st</sup> grade. Ginnings is also utilizing the support of an assigned student teacher participating in our part-time instructional aide program.

\*\*\*Evers: We have been closely monitoring this campus and enrollment; providing additional support as necessary.

***NOTE: Class size waivers have been reduced by 50% from February 2015 to February 2016. The Denton ISD Board of Trustees considered 46 class size waivers during February 2015 compared to 23 class size waivers for February 2016.***

**BOARD GOAL:**

Vision – In pursuit of excellence, the district will remain committed to providing equitable and outstanding opportunities for every student on campus.

**PREVIOUS BOARD ACTION:**

No previous Board action for the 2015-2016 school year.

**BACKGROUND INFORMATION:**

Maintaining a 22:1 student to staff ratio in all Kindergarten through 2<sup>nd</sup> grade classrooms is a priority for 2015-2016. Staffing guidelines for the 2015-2016 school year are 22:1 in Kindergarten – 2<sup>nd</sup> grade; 24:1 in 3<sup>rd</sup> and 4<sup>th</sup> grade; and, 25:1 in 5<sup>th</sup> grade. During the legislative session of 2011, the district was forced to revisit staffing guidelines in an effort to address significant funding issues. Since that time, the District has continued to move toward staffing that meets the 22:1 staffing guidelines for all sections of Kindergarten – 4<sup>th</sup> grade.

**SIGNIFICANT ISSUES:**

In situations where enrollment warrants additional support, instructional aides and additional FTEs may be assigned to support student learning and teacher instruction.

**FISCAL IMPLICATIONS:**

Consideration(s) of additional FTEs and/or instructional aides are carefully weighed in collaboration with principal recommendations. Other fiscal implications to be considered are classroom space availability and program integrity (i.e., dual language, etc.). As the district maintains fiscal responsibility, while addressing limited state funding, we will continue to improve staffing guidelines with a goal of returning to the required 22:1 ratio for all Kindergarten – 4<sup>th</sup> grade classrooms. We will do so in a manner that avoids similar staffing cuts experienced in the wake of the 2011 legislative session. As of today's date, the cost to accommodate the state (unfunded) mandate related to maximum class size in Kindergarten – 4<sup>th</sup> grade would cost Denton ISD approximately \$600,000 (10 FTEs x \$60,000).

**BENEFIT OF ACTION:**

Passage allows flexibility in consideration of student/staffing needs and space availability while striving to maintain K – 2<sup>nd</sup> grade staffing at 22:1 for the 2015 – 2016 school year. Flexibility also allows campus principals to assign students based on the individual needs of students.

**PROCEDURAL AND REPORTING IMPLICATIONS:**

Texas Education Agency will process the formal request as approved by the Denton ISD board of trustees.
