

School Board Report – Oct. 2025
6 - 12 Principal Julie Granberg

HOMECOMING:

The parade, the game, the dance and all activities were a success. Students enjoyed the parade for the first time in a long time. The homecoming dance was a success.

Fast Bridge:

All students who needed to be tested have been tested. We will be looking at Capti for students who did not make progress. Jackie Bruns is helping support these efforts to make sure all students get what they need for testing.

PLC's: Professional Learning Communities

We have begun our work in PLCs for the 25-26 school year. The teachers were able to choose what element or design area from our NASOT framework to work on, or they were able to pick an AVD strategy or an evidenced based strategy to work on for a period of time.

Drills:

We have practiced a few fire drills and ALICE drills to support our students. The staff was trained on Oct. 15 with Ryan Fischer on ALICE.

School NewsLetter:

I have attached our school newsletter and will do so for each board report going forward.
