

Board of Education

ACTION

TITLE: Consider Approving The Change To Section 7.14 Of The Business And Financial Management Policies

DATE: May 20, 2024

RESPONSIBLE ADMINISTRATOR: Charles Warren, CFO

BACKGROUND/CONSIDERATIONS:

The District is provided updates to the Business and Financial Management policies (Section 7) from the Arkansas School Board Association (ASBA). Section 7.14 has proposed changes from ASBA for the School Board to consider. A redline version of this section is attached separately.

The Arkansas Department of Education required updates to any type of technology resources policy and ASBA provided language to Section 7.14 to address these requirements. There is no change in policy as much as a cross reference to employee policies in Section 3 and 8.

RECOMMENDATION:

The administration recommends the board consider approving the change provided separately to Section 7.14 of the Business and Financial Management policies as presented.

If the Board agrees, the motion would read: ***move to approve the change to Sections 7.14 of the Business and Financial Management policies as presented.***
