

REPORT NAME: Structured Cabling
REPORT OF: Technology
FOR: Information

FISCAL FUND IMPACT: Bond
IMPACT AMOUNT: \$87,223.74
MEETING TYPE: Regular

EXECUTIVE SUMMARY/BACKGROUND:

As we continue to implement the plan for the bond this project will cover the structured cabling for Adler and Stevenson. We plan to use the Erate program for this project which will allow the district to be reimbursed for up to 80% of this project. We released an RFP and opened bids on 2/29/2024. We received 3 bids with NerdsXpress being the low bid for both structured cabling and the fiber work at both buildings.

RECOMMENDATION:

Administration recommends that the Board of Education authorize NerdsXpress to complete the structured cabling and fiber work at Adler and Stevenson in the amount of \$87,223.74.

IMPACT IF NOT APPROVED:

Adler and Stevenson will not have internet access in the building.

NEXT STEPS IF APPROVED:

We will begin the Adler work in April and Stevenson will be completed over the winter during renovations.
