

Consider approval of 2025-2026 Contract with San Antonio Education Partnership (SAEP)

1. Background:

The San Antonio Education Partnership (SAEP) will provide services to students in areas of goal setting, College Career exploration and awareness of college access and financial aid. SAEP will award a renewable scholarship, contingent upon availability of funding, for up to eight consecutive semesters, or five years to students meeting eligibility criteria.

2. Process:

The SAEP program will serve Southwest High School, Southwest Legacy High School and CAST STEM High School students. SAEP Road to Success College Access and Success Advisors will participate and assist in SWISD and/or school sponsored events such as student orientations, parent activities, and college access events in support of SWISD's college readiness goals. Students will be provided services applicable to their grade level. SAEP Road to Success College Access and Success Advisors conduct college enrollment verification of SAEP scholarship recipients by the end of the Fall Semester following high school graduation.

3. Fiscal Impact:

The cost of the SAEP program is \$54,000.00 from Title funds from August 1, 2025 and will expire on July 31, 2026.

4. Recommendation:

That the board approves the 2025-2026 contract with the San Antonio Education Partnership (SAEP).

5. Required:

Board action.
